## MEDIA PLAYER

### Overview

The SSI-BXi3H-4010 is the latest i3 player in our BRIX family. Built off the Gigabyte GB-BXi3H-4010 platform, you will not compromise features for size as this unit is equipped with the latest embedded Intel I3 4010U Haswell Dual Core processor and DDR3L 1600MHz memory. With the integrated Intel HD 4400 Graphics, this system will support your 1080p HD content, 4K content, and multi monitor functionality without worry. The SSI-BXi3H-4010 has many useful features including four USB 3.0 ports, a headphone/microphone jack, HDMI Port, and Mini DisplayPort\* video interfaces, and extra space to accommodate 2.5-inch HDD or SSD drives. Its lower power consumption allows for innovative solutions.
